Hong Kong Sanatorium & Hospital Donation Campaign Receives Generous Support from the Public Over HK\$7 Million Donation to the Hong Kong Red Cross Sichuan Earthquake Relief and Reconstruction Projects

(8 July 2008, Hong Kong) The Hong Kong Sanatorium & Hospital (HKSH) launched a donation campaign in mid-May in response to the Sichuan earthquake. The Hospital pledged to make a dollar-for-dollar matching donation with an upper limit of HK\$5 million.

The campaign, which ended on 30 June 2008, was a tremendous success and the Hospital has received a total donation amounting to HK\$3,686,913.20. Together with the dollar-for-dollar matching donation from HKSH, the total donation amounted to HK\$7,373,826.40.

All funds raised have been forwarded to the Hong Kong Red Cross China Relief Fund for supporting earthquake relief and reconstruction projects in the affected provinces.

We would like to take this opportunity to express our gratitude to all individuals and organisations that have given support to this meaningful campaign.
